One of the ways Vanessa Minnillo stays in great shape is by wearing Reebok's new EasyTone footwear. The sneaker collection uses innovative balance-pod technology — which was created by a former NASA engineer — to engage the

over a dress or tank top this summer on windy days and chilly nights. Available in medium and dark worn wash. oldnavy.com

Is for Suckers." And for fans of actor Stephen Moyer's sexy character, there's the "I ♥ Bill Compton" top. The shirts start at \$20. hbo.com/store

HOT NECKLACE

Graced with eight and a half carats of dazzling gems, this necklace looks good and is designed to make you feel good, too! The message behind this Attitudes by Renee Multi-Gemstone Enhancer is that "life is half full" -- hence its design: a glass pendant filled

more than halfway full with tiny garnet, blue topaz, peridot and amethyst stones. It's available online at qvc.com for \$123.
